**REQUEST FOR CERTIFICATE OF CORRECTION OF PATENT –
OFFICE AND APPLICANT MISTAKE (37 C.F.R. §§ 1.322 AND 1.323)**

Dear Sir:

Pursuant to 35 U.S.C. § 254 and 37 C.F.R. § 1.322 and 37 C.F.R. § 1.323 please issue a Certificate of Correction in the above-identified matter. The mistakes to be corrected were made both by the Office and by the applicants.

1. Attached hereto is Form PTO/SB/44 (PTO-1050) suitable for printing.
2. It is noted that errors appearing in this patent are of a clerical, typographical, or minor nature or character, as more fully described below. They occurred in good faith. Correction thereof does not involve such changes in the patent as would constitute new matter or would require re-examination. A certificate of correction is requested.
3. For the Office's mistake, the exact page(s) and line number(s) where the error(s) occurred are as follows:

Page 4, line 1 of the Examiner's Amendment mailed with the Notice of Allowance, dated November 21, 2006, amended the phrase "mobile station" in claim 49 (issued as claim 33) to --wireless device--.

Similarly for claim 50 (issued as claim 34) line 2 of the Examiner's Amendment mailed with the Notice of Allowance, dated November 21, 2006, amended the phrase "mobile station" to --wireless device--.

Finally for claim 52 (issued as claim 36) line 3 of the Examiner's Amendment mailed with the Notice of Allowance, dated November 21, 2006, amended the phrase "mobile station" to --wireless device--.

4. For the applicants' mistake:

In the 312 Amendment of December 6, 2006, in claim 52 (now claim 36), line 4, applicants erroneously failed to identify the change from "mobile station" to --wireless device-- as an amendment.

In claim 49 (issued as claim 33), the applicants inadvertently failed to notice that the Examiner's amendment failed to correct the second occurrence of "mobile station" in claim 49 to --wireless device-- and correct that deficiency in the 312 amendment. Note that the same change was made by the Examiner's amendment earlier in claim 49 and also in eight other places in claims 44, 45, 47, 48, 49, 50, and 52 by the Examiner's amendment.

Applicants respectfully submit that the applicants' mistakes in claims 49 and 52 (issued claims 33 and 36) are of a minor character. Further, the corrections are not subject to reasonable doubt, as it is clear from the file history that such changes were intended, given the other similar changes. Nor do the changes constitute new matter or require reexamination. Accordingly, applicants respectfully request correction of these applicants' errors.

5. Please send the Certificate to:
